

Connecting iOS to College WiFi

From the iPad Home screen, tap “Settings”.

Tap “WiFi” from the list on the left hand side of the screen and then tap on “hotspot”.

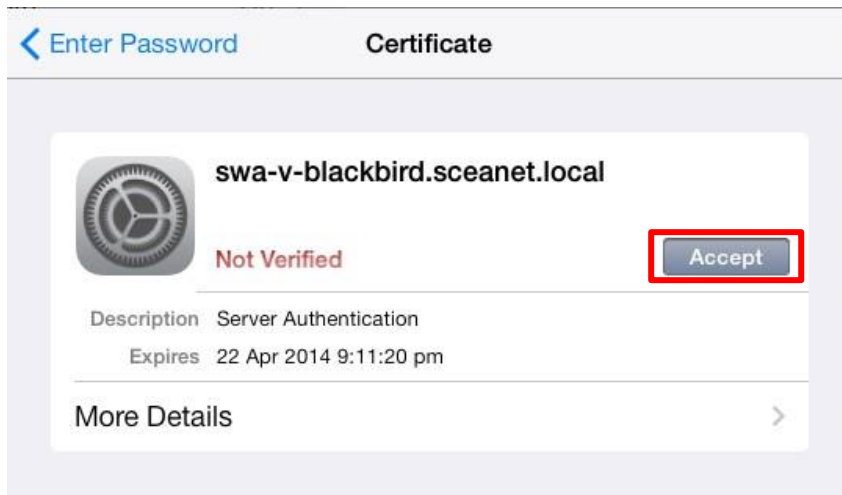

You will need to enter your school credentials as shown in the screenshot below. Tap “Join” to continue.

You will then be prompted to accept a certificate for the wireless network. Tap “Accept” to proceed.

When successfully connected, a tick will appear next to “hotspot” and you can start using the school’s network resources.
