I have an interest in seeing Christian Education continue to grow in reaching and connecting with people who may not otherwise have any other awareness of Jesus or be looking to be part of a faith community.

I think can bring a fresh set of eyes and hopefully be a catalyst in assisting SCEA moving forward.

Motivation for Board nomination:

Invited to consider joining SCEA on the basis of my previous experience. In all the previous Board roles I didn't look for those roles but see it as God asking me to be available and responding when an opportunity arises.
