Evolving the Logo

Using the crest to bring uniformity and cohesion allows the schools to be further connected to the SCEA brand.

The subtle nod to the Bible in the crest brings some distinction from other crests, whilst also feeling like an evolution of the current logo.

- **Heart = Pastoral**
- **Shield/Crest = Faith**
- **Cross = Christ**
- **Bible/book = Scripture/story**

Colour and imagery/photography in the broader brand will allow the uniqueness of each school to shine whilst also complementing each other.

Brand Elements

Iconography & Illustration Style

Iconography and illustration work together to strengthen the brand, each playing a distinct role.

Iconography is simple, clear and functional. Icons distil ideas into recognisable symbols that work best at small scale. They sit comfortably alongside text, within navigation, diagrams or supporting content, helping communicate meaning quickly and consistently.

Illustration brings depth and personality. Used at larger scale, it can act as a flourish across covers, campaigns or hero moments. Illustration adds emotion and narrative without needing to explain everything in detail. We have shown how to extend the CHARIS virtues into illustrations here, but this style may be applied across a variety of things such as blog tiles, social posts, school houses/factions etc.

Together, icons provide clarity and structure, while illustration adds story and character. Used in balance, they create a brand that feels both cohesive and expressive.

President's Report

What a privilege it has been to serve the Lord at SCEA as we reflect on another busy school year! The SCEA Board and Senior Leadership Team (SLT) continue to build a great relationship and work well together as we lead the Association through a time of considerable growth.

More and more families are looking to enrol in our schools, and we have an opportunity to educate and partner with families from a number of communities in Perth.

Dr Graeme Cross (Chief Executive Officer - SCEA) has been an excellent addition to the Senior Leadership Team (SLT) and has worked alongside Dr Cross to ensure that our teams within the schools and the SCEA Head Office are functioning at optimal levels. New initiatives and projects are being planned and existing procedures are being rejuvenated. His support for the SLT, Dr Cross and the entire SCEA team has been excellent and we are thankful for his contribution to our organisation during 2024.

I want to thank our Board - Dr Thelma Perso, Dr Natalie Letao, Mr Rod White and Mr Jordan Thyer. What a joy it is to have such a team of godly, experienced and talented people who serve in their capacity as Directors.

We have remained unchanged as a Board this year, which has helped drive unity and a common sharing in the spirit which has served the Association well. I am thankful that the Board is continuing to serve in different ways through Sub-Committees and consultations with staff on a regular basis.

To the staff across all of our schools - thank you! In Paul's letter to the Ephesians he asks for prayer saying:

"Pray also for me, that whenever I speak, words may be given me so that I will fearlessly make known the mystery of the gospel, for which I am an ambassador in chains. Pray that I may declare it fearlessly, as I should."

-Ephesians 6:19-20

Every day you have the opportunity to declare the gospel fearlessly as you teach and encourage students, families and all those who you meet in your "SCEA World". SCEA would not be what it is without great people who love God and who love sharing the good news with the world.

We are thankful for each one of you. In closing, can I ask for prayer for SCEA and all of its moving parts?

We are striving to be godly in our governance. We seek God's wisdom as we shepherd those God has placed in our care. Like the apostle Paul's words above - we want to be an Association that declares the gospel fearlessly and love each one of those that are a part of our SCEA family.

We are looking forward to another fantastic year ahead. The new Strategic Plan for SCEA is bold and we are looking to capitalise on the great opportunities afforded to us to share the love of Jesus with those around us.

We are excited with where the Lord will take SCEA in this busy season. Again, what a great privilege it is to be serving in this place as it continues to grow and mature in all God has planned for it.

Mr Craig Clark
SCEA President 2024

Chief Executive Officer's Report

"How good and pleasant it is when God's people live together in unity!"

-Psalm 133:1

When we look back over 2024, we have every reason to be grateful.

God has blessed us beyond measure as an organisation. Like many Christian schools across the country, our schools have continued to grow as families are drawn to the gospel inspired approach to education that we offer - and we have the privilege of watching their sons and daughters learn, grow and encounter Jesus in our classrooms.

During Term 1, when the Board and Senior Leadership Team came together for a retreat, time was spent reflecting on the past and identifying what our strategic priorities should be in the years ahead. Through this process, three priorities were identified - unity, capacity and reach.

'Unity' was identified as an important next step in our corporate journey. In our previous Strategic Plan 2020 - 2025, we had adopted interdependence as a priority, because at the time, it was widely acknowledged that SCEA schools were often operating in isolation and the benefits of being a system of schools were not being fully realised. In recent years, we have made significant progress in this area, and it is now time to take the next step and move from interdependence to unity. Integral to our plans to foster greater unity, is a commitment to embed across all SCEA sites, a shared vision, mission and set of virtues. There is also a deep desire to further expand the opportunities for staff from across our schools to collaborate and learn from each other. We know the more we do this, the more effective we will become.

'Capacity' was found to be important because the substantial growth in enrolments over the past five years placed considerable pressure on many of our systems and processes, creating a need to review and strengthen them to ensure they will serve us well as we continue to grow. This work includes the critical area of recruitment.

Our ability to achieve our God given mission is reliant on our capacity to attract and retain quality staff and in a period where there is a national shortage of teacher - this is a challenge that demands our attention.

"Reach" as a priority recognises our desire to expand our reach into the wider community, and particularly, our ability to serve families whose children have learning difficulties and those from under-represented groups.

We are delighted that preparation of the Strategic Plan 2025-2030 was finalised in 2024, ready for release in Term 1 2025. Based on the feedback we have received in response, there is a high degree of confidence that it will allow us to more effectively achieve our mission, which is to value and empower every student to become all God created them to be.

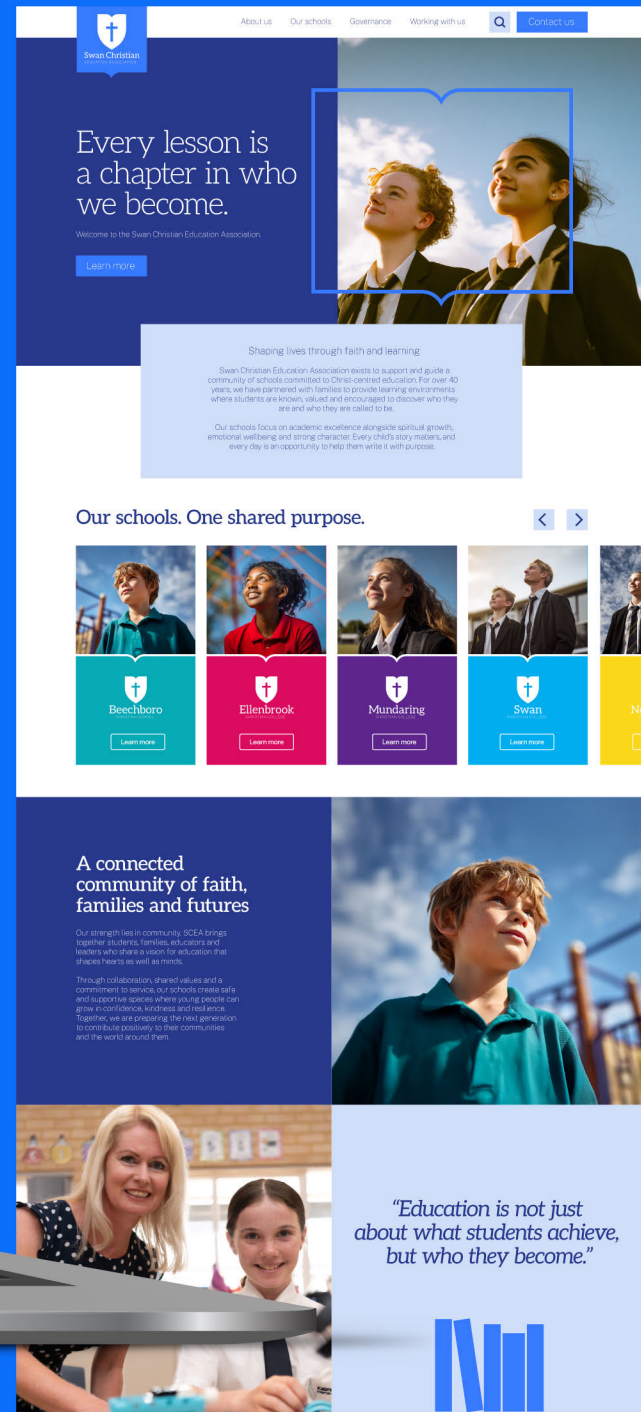

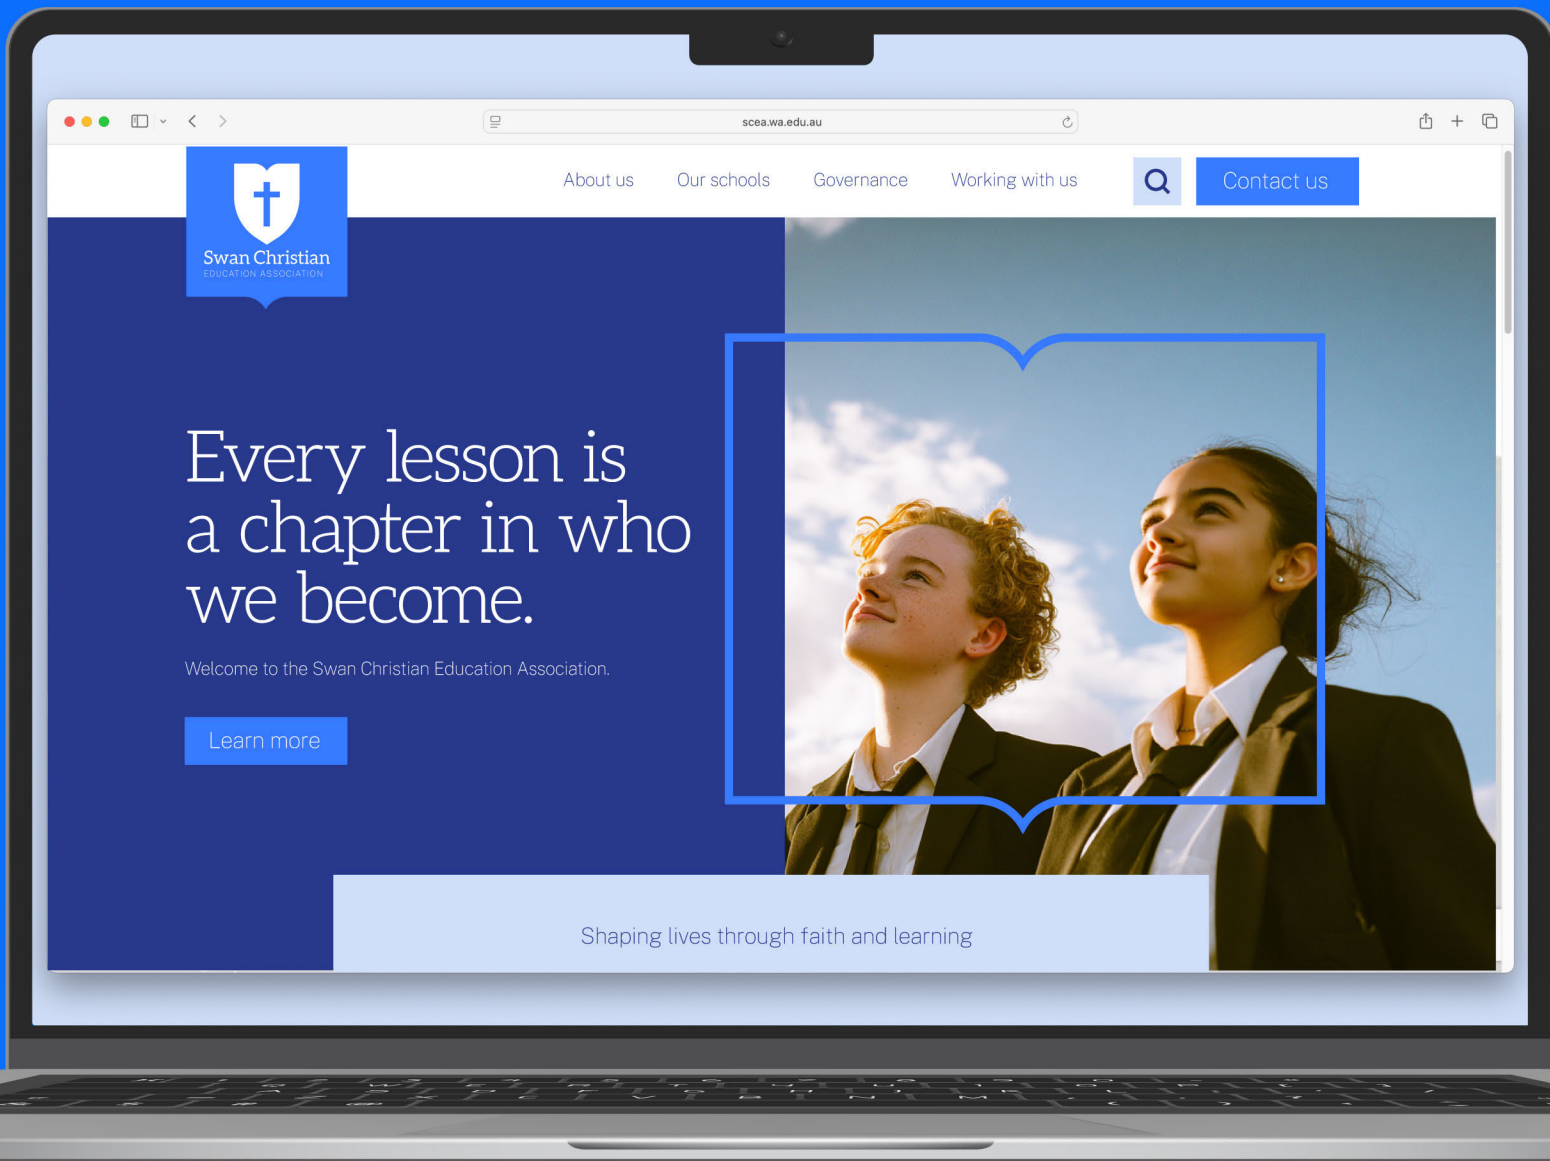

2024 was also a Registration year for SCEA. To receive the maximum possible five years of registration was testament to all of our schools and the oversight provided by our Chief Executive Officer, Dr Graeme Cross.

Everything achieved at SCEA in 2024 has been possible because of the extraordinary team that God has gathered. Their competence and commitment to God's calling education that our students are receiving a Christian education that truly equips them for life.

Finally, it is important to acknowledge the work of our SCEA Board and Senior Leadership Team. We are truly blessed to have such godly and capable leaders providing oversight of SCEA. In particular, it is important to acknowledge the contributions of Mr Craig Clark, for his leadership of the Board, and Mr Nick Wood (Chief Operating Officer) for his leadership of the Senior Support Team - the senior leaders based at the SCEA Head Office. It is a joy to work alongside these amazing leaders.
